Subject: 2007-2010 Transportation Improvement Program as Amended

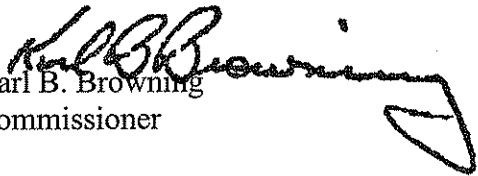

Dear Mr. Nolot:

The Indiana Department of Transportation approved the 2007-2010 West Central Indiana Economic Development District Transportation Improvement Program (WCIEDD TIP) on August 17, 2006. Since that approval, the WCIEDD TIP has been amended on numerous occasions and several administrative modifications have also been made. The WCIEDD TIP and all amendments and modifications have been reviewed for accuracy and compliance under the Safe, Accountable, Flexible, Efficient Transportation Equity Act, a Legacy for Users (SAFETEA-LU) and the Clean Air Act Amendments of 1990.

The Federal Highway Administration and the Federal Transit Administration issued a conformity finding on June 25, 2007. Based on our review and the above conformity finding, it is my pleasure to inform you that on behalf of Governor Mitchell E. Daniels, Jr., I approve 2007-2010 WCIEDD TIP, including administrative modifications, through June 27, 2007. This document will serve as support for the local and INDOT projects in your area for FYs 2008 through 2010 and will be included by reference in the 2008-2011 Indiana Statewide Transportation Improvement Program (INSTIP).

Should you have any questions, please do not hesitate to contact Carter Keith at (317) 232-5465.

Sincerely,

Karl B. Browning
Commissioner
